

School District No. 46 (Sunshine Coast)

Governance Policies

3.0 BOARD-STAFF RELATIONSHIP

3.4 CONFLICT OF INTEREST

The Board of Education of School District No. 46 defines District Administration as all those excluded staff in a management or supervisory position. The Board expects its District Administration to function in a manner that establishes open and professional relationships with the Board and with one another.

District Administration has a duty of loyalty to the elected Board as their employer. As such, District Administration is expected to serve the Board according to the best of their ability. The community of School District No. 46 (Sunshine Coast) should expect service from the District Administration of the Board that is conducted with efficiency, impartiality and integrity. It is this special obligation which demands that there not be any conflict between private interests of employees and their responsibility to the public.
