

# Time Together can be MAGICAL!

## Here are 11 things your family can do together...

1. *Let your children see you reading.*
2. *Give books to your children for birthdays and other occasions.*
3. *Take your children to the library.*
4. *Give your older children magazines that follow their interests.*
5. *Read recipes together, then bake something special to share with the family.*
6. *Cuddle up and read books together.*
7. *Write a story with your children.*
8. *Research something new on the internet that interests family members.*
9. *When you are reading with your child use interesting sounds and character voices.*
10. *Plan a special night for family story-telling.*
11. *Make connections and talk about the story together.*

School District No. 46 encourages parents and caregivers to celebrate **FAMILY LITERACY** by supporting your child's development of language and literacy.
